SERVICE ACHIEVEMENT AWARD

JOYCE M. CARTER

Joyce played a key role in the evolution of the National Pinochle Association (NPA). She is considered an unofficial founding member due to her unavailability to sign the Articles of Incorporation. Joyce has been a member of the National Pinochle Association since 1981. Joyce was a consistent fixture at local, regional and national tournaments for many years. She was a member of various local Atlanta pinochle clubs eventually becoming a founding member of The Renegades Pinochle Club. Joyce served on many NPA Committees. She is most notably known for her work as Chairperson of the Housing Committee. As a result of her leadership, the Housing Committee has negotiated the most cost effective savings for Semi and Annual tournaments, in the history of the National Pinochle Association.
